

# Board Effectiveness Matrix

---

Scaling Tools | Tool 38 | [swirtoscale.com](http://swirtoscale.com)

A board should be more than a compliance requirement—it should be a strategic asset. The Board Effectiveness Matrix helps you evaluate whether your board is delivering real value, where the gaps are, and what to do about them. Whether you have a formal board, an advisory board, or are building one, this tool applies.
